

Genital warts

[Fact sheet](http://conditions.health.qld.gov.au/HealthCondition/condition/14/188/64/genital-warts-and-human-papilloma-virus-hpv) (<http://conditions.health.qld.gov.au/HealthCondition/condition/14/188/64/genital-warts-and-human-papilloma-virus-hpv>) - Health conditions directory

Genital warts are fleshy growths or lumps found around the genitals and anus. They are caused by the human papilloma virus (HPV).
